

Self-Inspection Perimeter Instructions

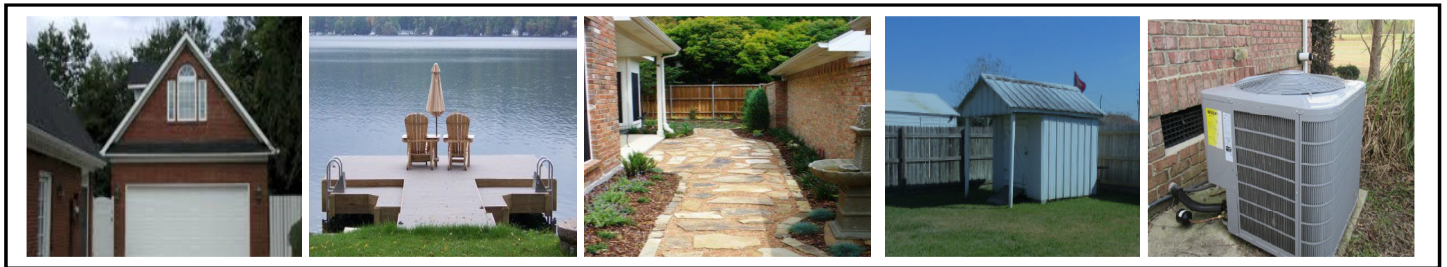

Thank you for participating in the self-inspection option! Please follow the instructions below to text in photos of the exterior of your home. Keep in mind that some of the examples may not pertain to you. (Please limit a maximum of 5 photos per text)

Examples:

1. Home Exterior - Minimum of five home photos including one of each side and one of the address number outside of the home. Please include as much of the roof as possible in the photo.

2. Detached Structures – Detached buildings, garages, sheds, guest house, tree house, barns, docks and fences. Please photograph all four sides of each detached building.

3. Pool and Pets - Cage, diving board, slide, hot tub, trampoline

(Do not take any photos that may place you in a dangerous position)

Thank you!
